公司经理。Sharp tools make good work.工欲善其事，必先利其器。4.答案：finished，解析：意为结束终止。Finish和complete这两个动词都有完成的意思，有时可以互换使用。有时却有明显的词义差异：finish表示过去某个时候着手做的事已经做完，或表示对已做完的事进行精密加工。例：The writer has finished (or completed) the novel.如果作为读者，可以说我已经看完这部小说了，用英语表达只能为have finished the novel但如果是文学系的学生，老师布置了任务，要读完这部小说，那么必须用complete。complete侧重表示做完或完成某工作，特别是一项任务，或把某工作圆满结束。例：The house was completed five months ago.这座房子是五个月前竣工的。

二、曲线图描绘练习2 Below are descriptions of sales data for a TV set company. Draw a graph to match the description. The graph shows sales figures for the FI TV set Company for the years 2002 and 2003. In the first month of 2002 sales figures climbed dramatically with 4,000 sets being sold by February. Then sales remained steady until June. In July there was a sharp fall to 1,750, but, after this, there was another steep rise to 3,250 in September and then a steady increase which continued right through until the end of 2003. This healthy trend is good news for the company which finished the year with sales of 7,250 after a jump to 8,000 in the previous September. 答案与解析：根据文字提示先将给出的数字所对应时间的点找到，之后根据其它信息指示将所有关键点连接起来即可完成此题。怎么样，图例试题也没那么难吧！
