There must be something wrong with him. 2)以able或ible结尾的形容词与all, every, only或形容词最高级连用时,常常后置。 【例如】 These are the best books available in the university library. Paris is one of the most beautiful cities imaginable. 3)形容词词组常后置。 【例如】I know a girl good at singing. 100Test 下载频道开通,各类考试题目直接下载。详细请访问 www.100test.com
