Ben, Mark, Christian and Paul-a1!A1: Hey! Hello! Whooo! Ah, it ’ s good to be back. Interviewer: How are you boys?A1: How are you, Darren? Fantastic! Interviewer: We only spoke about, what was it “ something like two months ago or something like that?A1: Yeah, it was the awards, I think. Interviewer: That ’ s right, yeah. Just as you were just 3)releasing “ Same Old Brand New You, ” as well, wasn ’ t it?A1: That ’ s right, yeah. Interviewer: Which went to number one!A1: Yippee! Yeah now that was brilliant fun, I mean, it was actually again, the first time was a Take on Me, it was a great, great thing, but you know, it was a cover and this Same Brand New You we wrote. So I think that was just the absolute 4)pinnacle of what has happened so far, it was amazing. Interviewer: Do you know what boys, every time I speak to you, right? You get to number one on the 5)charts. First of all, I spoke to you on the Pepsi chart when you got to number one with “ Take on Me ” , then we spoke on Smash Hits for “ Same Old Brand New You ” got to number one, where ’ s “ No More ” gonna go? Number one of course!A1: Ohhh! You can ’ t say that, that ’ s really bad. That ’ s really bad 6)karma. Interviewer: No, it ’ s

not, it ' s not. It ' s positive.A1: For the man who he always
7)meditates and he ' s really into karma, yeah. Yeah, that ' s me.
No, I mean you know, I mean we never like to say anything like that,
because basically if we did and we didn ' t go to number one, we ' d
just look like 8)woolies. So you know, I think at the end of the day,
you know, as long as we work as hard as we can and do as much
9)promotion as we possibly can, then it ' s up to the public
really.Interviewer: It ' s been three months and it ' s been a really
busy three months for you, hasn ' t it?A1: Yeah, it has
been.Interviewer: You ' ve been busy making the video for the single
which you made in Singapore, is that right?A1: That ' s right,
yeah.Interviewer: So how long did you spend in Singapore then?A1:
We spent about seven days there in total.Interviewer: Did you?A1:
Umm, we chose Singapore because a lot of the video was going to be
based around a harbor, you know, around a port and stuff with the
speed boats stuff and that kind of action. And Singapore ' s got the
biggest harbor in the world so we went for that. And it was also a
place where we could do a lot of different things. It was a lot of
different locations like 10)jungle spots and you know what I was
saying the harbor. And we also got an opportunity to learn a little bit
of 11)martial arts on the way as well. So " Take on Me " we did
some Matrix stuff, and in this video we did some kind of Matrix style
martial arts as well.Interviewer: That ' s good.A1: So it was a really
good opportunity to go over there and just do some promotion as
well. We spent the first three days of us being out there doing photo
shoots for Taiwan, Thailand, Singapore and stuff like that. Some of

us did. Some of us were like nearly dying in bed. Christian stayed in bed pushing out the shits. Interviewer: I heard, Christian, Christian, I need to speak to you about this because you had a 12)severe 13)case of food poisoning, didn't you? A1: No, absolutely not. No, he had the shits. That's true. Interviewer: What was it? We all like that, Christian. Are you still suffering there? A1: Yeah, he is, yeah. Interviewer: Christian, talk to me. A1: I'm trying. That's right, he's just 14)talking out his 15)bowels. Interviewer: God bless him. Thanks very much for popping in and thanks for your time. All right guys, take care of yourself! A1: Take care of yourself, too! You say you're gonna work it out Then you say you're having doubts Tellin' me you'll walk away But then you go and stay You're callin' me day and night Sayin' he don't treat you right Then you always turn around And give him one more try Baby you know it isn't fair You expect me to be there But we never get nowhere I got one foot out the door, I don't wanna hear 'bout him no more I'll make a long story short Time to make up your mind, girl No more back and forth, I don't wanna hear 'bout him no more If I'm not what you want, I don't wanna hear no more 100Test 下载 频道开通，各类考试题目直接下载。详细请访问 www.100test.com
