[参考范文] A Letter of Advice 一封给新生的忠告信

Dear Freshmen , I , the undersigned , am a senior in the Computer Science Department of Tsinghua University. I would like to say a few words to you , which I hope would be helpful to you. To begin with , the change of ideas is of most importance for freshmen to adapt themselves to campus life. During the middle school days , we usually depend upon our teachers at school and parents at home. However , the life and study on university campus features independence , which is essential to our psychological development. In my view , we had better always bear in mind the idea of independence. What ‘ s more , English learning is a must. On one hand , without CET 4 certificate , we can not get our degree when we graduate from university. On the other hand , when we hunt for job , English level is a deciding factor. Therefore

, I do hope that all of you will have a good understanding of the necessity of learning English well. Good Luck to you ! Sincerely
Yours Li Ming (167 words) 100Test 下载频道开通 , 各类考试
