My reasons are quite (extremely) simple and clear. If anybody is not satisfied with my viewpoint(s), I shall be greatly surprised at his ways of thinking. In the first place, traveling increases our knowledge. Only by traveling can we see (因为用 (only) 开头，主动词须颠倒) things outside our home town. In the second place, traveling is good to our health. While we are traveling, we usually exercise our bodies. In conclusion, I earnestly hope that

第十五天：HOW TO BE A GOOD CITIZEN

The first duty of a good citizen is to love his country. He is to (must) be ready to sacrifice even his own life for the country. His second duty is to obey the law and help the government (to) maintain order. If everybody can do so, the country will be rich and strong (powerful).

我的志向是做一个好公民以便能给国家效力。然而，做一个好公民不是一件容易的事情。他有许多责任要尽。一个好公民第一件责任是爱他的国家。他须准备为国家牺牲自己的生命。他第二件责任是服从法律并且帮助政府维持治安。如果人人都能这样做的话，国家必定富强。100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
