A princess? Shut up! Queen: I beg your pardon, shut up? Nevertheless you are the princess. And I am the queen Clarisse Renaldi. Mia: why on earth would you pick me to be your princess? Queen: Since your father died, you are the natural heir to the throne of Geneva. That ' s our law. I ' m royal by marriage. You are royal by blood. You can rule. Mia: Rule? Oh, no! oh, no. no, no no. now you have really got the wrong girl. I never lead anybody, not at brownies, not at camp fire girls. Queen Clarisse my expectation in life is to be invisible and I ' m good at it. Queen: Amelia I have other expectations also. In my wildest dreams, I never expected this to happen. But you are the legal heir, the only heir to the Genovian throne and we ' ll accept the challenge of helping you become the princess that you are. Oh, I can give you books. You ' ll study languages, history, art, political science. I can teach you to walk, talk, sit, stand, eat, dress like a princess. And given time, I think you ' ll find the palace in Genovia a very pleasant place to live. Mia: live in Genovia? Queen: it ' s a wonderful country! Amelia, really! Mia: whoa, whoa, just. Rewind and Freeze. I ' m no princess. I ' m still waiting for normal body parts to arrive. I refused to move to and rule a country. And do you want another reason? I don ' t want to be a princess. 100Test 下载频道开通 , 各类考试题目直接下载。详细请访问
