The city, a place \_\_2\_\_ business is only to \_\_3\_\_. It is not an ideal place for permanent residence. People may say that the city can provide you with the best \_\_4\_\_ life can offer. Your friends are always \_\_5\_\_ for an informal chat or an evening's entertainment. The \_\_6\_\_ exhibitions, films or plays are always within easy reach. Shopping, too, is always a pleasure. But what \_\_7\_\_ the hustle and bustle of city life? The city dweller never has a moment \_\_8\_\_ peace. He is always \_\_9\_\_. And what about the noise and pollution of the city? Day and night the city is in uproar with its unceasing traffic. The air is polluted \_\_10\_\_ poisonous gases emitted by the smokestacks of factories. The water supply is tainted with impurities that are harmful to the human body. The city is indeed not a place to live in. Country life is in many respects superior \_\_11\_\_ city life. For one thing, the people there are friendly. People are acquainted with one \_\_12\_\_. You can never \_\_13\_\_ receive a friendly nod or a kind word from anyone you \_\_14\_\_ meet. In the city people who live in the same \_\_15\_\_ are often strangers to one another. The air in the country is fresh and pure. Air pollution is a thing \_\_16\_\_ of there. You live a healthy life in the open air. Life goes on in a \_\_17\_\_ way and you don't have to hurry to catch \_\_18\_\_ bus or travel in a crowded bus with people \_\_19\_\_ like sardines. Gardening and fishing will be pleasant pastimes. Reading a book \_\_20\_\_ the warm fireside will be another

pleasant pastime on a cold winter night. Life in the country is indeed simple and pleasant. 1) A enjoyable B exciting C experienced D unpleasant 2) A in B on C out of D for 3) A be visiting B be visited C visit D visited 4) A where B when C what D who 5) A wanted B wanting C available D enjoyable 6) A latest B kindest C richest D poorest 7) A of B about C if D should 8) A for B even C once D often 9) A in a moment B at the moment C in a hurry D in a line 10) A in B with C of D within 11) A than B to C over D for 12) A another B other C what else D the others 13) A expected to B want to C fail to D plan to 14) A long to B be glad to C want to D chance to 15) A apartment B school C room D city 16) A hearing B unhearing C heard D unheard 17) A leisurely B easily C conveniently D effectively 18) A a B the C / D no 19) A fighting B fought C packing D packed 20) A behind B by C in D on
