When spring comes , the garden is all green. The ground is just like a green blanket. Birds are singing in the trees. The quiet garden becomes lively. In summer all kinds of trees grow tall and strong. Golden sunflowers blossom to the sun , waving in the wind. Some other flowers are as red as fire , giving sweet smell and inviting many bees dancing around them. When it is autumn , apples , pears and other fruits come out from the leaves , just like bells hanging in the trees. On the ground , you can see oranges , big pumpkins here and there. After a snow in winter , the trees in the garden are covered with snow. The ground is all white with only some green leaves of vegetable sticking out from beneath. What a beautiful garden ! 我们的花园 我们的房子后面有一个小花园，它一年四季都很美。当春天来的时候，花园一切都是绿色的。地面像一条绿色的毯子，鸟儿在树上唱歌，安静的花园顿时有了生机。在夏天，各种各样的树长得又高又壮。金黄色的向日葵对着太阳，在风中挥舞。其他的一些花红得像火，引来了许多蜜蜂在花丛中翩翩起舞。当秋天来的时候，苹果、梨和其他一些果子从叶子间探出头来，像风铃一样垂悬在树上。在地面上，你到处能看到橘子和大南瓜。在冬季一场雪过后，花园里的树木被雪覆盖着，地面上一片银白，惟有一些蔬菜叶子微微露出一片绿色。多么美丽的花园啊！100Test 下载
