3. Honesty What is honesty? Honesty means telling the truth and being fair and upright in act. Honesty is a good virtue. He who lies and cheats is dishonest. Those who gain fortunes, not by hard labour, but by other means, are dishonest. Honesty is the best policy. If you are honest in all matters, you'll be trusted and respected by others. A liar is always looked down upon and regarded as a black sheep by the people around. Once you have lied, people will never believe you even if you are telling the truth. The fable of the shepherd boy just makes a typical example. Honest, your reputation will become great. Dishonest, your name will be spoiled and your personality degraded. Since honesty is so important, we must cultivate it. We should tell the truth at all times instead of making such an excuse as "A little dishonesty is only a trifle thing". We should eradicate immediately the seed of dishonesty once it is sowed in our minds. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
